

Strategic & Legacy Management Committee Robert Doerr, Chair

Robert Doerr,
Chair

This committee is involved in strategic issues relevant to the Environmental Management (EM) clean-up program at SRS. This includes performance assessments as well long-term policy, planning and cross-cutting issues related to other CAB committees. Specific areas of interest are development and deployment of technology, the DOE-SR budget decision-making process, future land use and relevant national environmental policy. The Committee encourages other CAB committees to integrate long-term stewardship into issue deliberations and CAB recommendations. Topics under consideration for the Strategic and Legacy Management Committee in 2017 include:

- SRS Natural Resources Management
- Historical Preservation
- Budget Update
- Community Reuse Organization Update
- Recruitment and Retention at SRS
- Continuous Improvement
- SRNL Annual Update
- Budget Process
- EM Performance Metrics
- Integrated Priority List
