Mr. Edwin Deshong, Acting EM Manager
U.S. Department of Energy
Savannah River Operations Office
P. O. Box A
Aiken, South Carolina 29802

Dear Mr. Deshong,

The Savannah River Site Citizens Advisory Board (SRS CAB) appreciates the opportunity to provide input to the site's prioritized activities for Fiscal Year (FY) 2027. We ask that the budget request for FY 2027 reflect our priorities and be at a level that guarantees compliance with all state and federal agreements.

Regarding all Environmental Management mission activities, we prioritize the program baseline summaries as follows:

1. Radioactive Liquid Tank Waste Stabilization & Disposition (14C)
2. Nuclear Materials Stabilization & Disposition (PBS 11C)
3. Soil & Water Remediation, Facilities D&D (PBS 30)
4. Infrastructure & Land Management (PBS 42)
5. Solid Waste Stabilization & Disposition (PBS 13)
6. Surveillance, Maintenance, and Deactivation (PBS 41)
7. Safeguards & Security (PBS 20)
8. SR National Laboratory (SRNL 100)
9. Community & Regulatory Support (PBS 100)

The SRS CAB also places a high priority on the complete funding of Payment In-Lieu of Taxes (PILT) to Aiken County, Barnwell County and Allendale County.

Thank you for the opportunity to submit our recommended priorities for the budget request for the Savannah River Site for FY 2027.

Sincerely,

Phyllis Britt
Chair, SRS Citizens Advisory Board
