Management Approach

SRMC is committed to partnering with the DOE to seamlessly and safely transform SRS liquid waste operations to an end state-driven culture of completion.

Five primary initiatives in order to meet the goals of the DOE’s end state contracting model:

- Liquid waste system optimization and improvement
- Services review and cost reduction
- Work process improvement
- Enhanced workforce / small business utilization
- Risk-based end state regulatory partnering
Small Business Contracting

- Committed to subcontract 20% of the cumulative value of task orders to small businesses
- Maximize meaningful small business participation in our accelerated cleanup
- Further enlarge the qualified small business pool
We are committed to continuing community support

- SRMC’s community commitment covers four primary areas:
  - regional educational outreach
  - regional purchasing programs
  - community support
  - workforce and economic development
- We will commit a percentage of fee earned to support the execution of our community commitment plan
- We will seek community input on plans
Transition

- 90 Days from Notice to Proceed (11/29/2021-02/26/2022)
- Minimize disruption to existing operations
- Clear and consistent communication with customer, workforce, unions and stakeholders
  - Transfer process
  - Compensation and benefits
  - Engagement with unions
- Prepare for operations
- Deepen community engagement
- Reach out to small business base
