NOTICE TO ATTENDEES: SRS Citizens Advisory Board meetings are open to the public. To provide a safe meeting environment, seating may be limited; attendees should register for in-person attendance by sending an email to srscitizensadvisoryboard@srs.gov by September 14. This meeting is the CAB's formal bi-monthly meeting and discussion is restricted to those around the table. However, opportunities for public comment will be offered at various times during the day. The mission of the SRS CAB is to provide informed and timely recommendations to the Department of Energy (DOE) concerning decisions that affect SRS in the areas of environmental restoration, waste management and related activities.
