Dear Mr. Simon:

SUBJECT: Citizens Advisory Board (CAB) Recommendation Number 340 – Commend the Originators of the Double-Stacking Idea (Your letter, dated 09/27/2016)

Thank you for your recommendation on commending the originators of the Double-Stacking Idea. The Department of Energy Savannah River Operations Office (DOE-SR) accepts your recommendation.

Savannah River Site (SRS) has identified the original Integrated Project Team (IPT) members and will recognize them with a certificate of appreciation for their creativity and contribution to the Double-Stacking initiative at the March 27, 2016 CAB meeting.

As always, DOE welcomes input from the public as we continue to work on cleanup and waste disposition activities at SRS.

If you have any questions, please contact me or have your staff contact Mark Smith, of my staff at (803) 208-6377.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jack R. Craig", is written over the word "Sincerely,".
