AND ENVIRONMENTAL CONTROL**

**RESPONSE TO RECOMMENDATION NO. 13
NOVEMBER 28, 1995**

**FROM THE SAVANNAH RIVER SITE
CITIZENS ADVISORY BOARD**

The South Carolina Department of Health and Environmental Control (SCDHEC) shares the concern of the Citizens Advisory Board (CAB) in reference to the design of the new glass storage building to begin by the year 2000-2001. Although the issues of high level waste management is still evolving, the Department supports the CAB in its efforts to move these concerns toward resolution.
