Dear Mr. Waters:

**SUBJECT: Citizens Advisory Board (CAB) Recommendation Number 157 – Presentations to the CAB and to CAB Committees**

Thank you for your recommendation to help achieve more beneficial briefings and presentations to the CAB, CAB committees, and focus groups.

The Department of Energy Savannah River Site's presenters will incorporate discussions on program plans, budgets, technology, and long-term stewardship in their briefings and presentations to the CAB, where feasible. If it is determined that this format cannot be followed, we will inform the respective committee chair.

If you have any questions, please contact me or Gerri Flemming at (803) 725-5374.

Sincerely,
