SUBJECT: Citizens Advisory Board Comments on the Waste Management Programmatic Environmental Impact Statement (WMPEIS)

TO: David Hoel, WMPEIS Project Manager, EM-37

The Savannah River Site Citizens Advisory Board (SRS CAB) has submitted a recommendation (attached) regarding the review of the WMPEIS. The recommendation requests their concerns and comments be addressed in the final WMPEIS. Please ensure their concerns and comments are adequately addressed. Also, please send a response to the SRS CAB by March 21, 1996, so they can discuss this subject at their next scheduled meeting on March 26.

We sent a facsimile of the SRS CAB's recommendation (including attachments) to Todd Beaver, Center for Environmental Management, on February 7 to ensure you have as much time as possible to respond to the SRS CAB recommendation.

If you have any questions, or would like to discuss this matter in more detail, please call Howard L. Pope, of my staff, at (803) 725-5544.
