Ms. Ann Loadholt, Chair
Citizens Advisory Board
P. O. Box 365
Barnwell, SC 29812

Dear Ms. Loadholt:

SUBJECT: Citizens Advisory Board (CAB) Recommendation Number 60 - D-Area Oil Seepage Basin (DAOSB)

Thank you for submitting the subject recommendation regarding DAOSB. The public comment period expired June 14, 1998 and there was no debate over the selected remedy. The Record of Decision was signed by the Department of Energy on June 15, 1998 stating the selected remedy for DAOSB is Natural Attenuation/Groundwater Mixing Zone with Institutional Controls.

If you have any questions, please call me or Cynthia V. Anderson at 803-725-3966.

Sincerely,

A handwritten signature in cursive script, appearing to read "Greg Rudy", is written over the typed name.
