Citizens Advisory Board
P. O. Box 365
Barnwell, SC 29812

Dear Ms. Loadholt:

SUBJECT: Citizens Advisory Board (CAB) Recommendation Number 75 -Interim Corrective Measures Southwest Plume from Old Radioactive Waste Burial Ground

Thank you for submitting the subject recommendation. Over the next several meetings of the Environmental Restoration and Waste Management (ERWM) Subcommittee, we will provide the requested information regarding the interim corrective measures on the southwest plume of the Burial Ground Complex. We appreciate your support of the actions we have already taken and will provide you additional information on the upcoming actions as they become available. Through the ERWM subcommittee and the recently formed public focus group, we will continue to enhance public participation in the decision-making process for this interim corrective measure and other future corrective measures.

We appreciate your continued focus on the cleanup of the Savannah River Site. If you have any questions, please call me or Cynthia Anderson at 803-725-3966.

Sincerely,
